

Jesus Said... Men's Discipleship/Bible Study

When do we meet: Saturdays after the message is given at 10:15 to 11:15am in designated areas announced during the morning service.

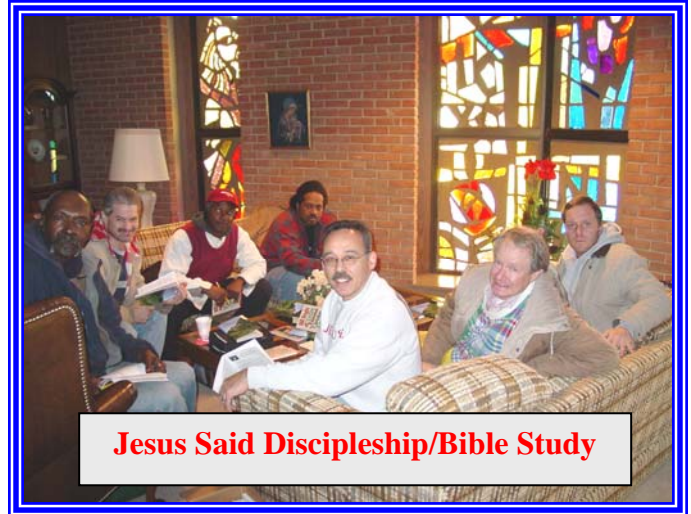

Who can attend: All who want to know more about growing in their walk with Christ are welcome. There are separate men's and soon to be announced women's groups.

Purpose of the Study: Christians need each other! We offer a time of Christian fellowship where we discuss Biblical truths, pray for one another and encourage each other to live the life our Lord Jesus wants us to live, as a living sacrifice. (Romans 12:1-2). If we try to go through life alone, the devil (through our thought life and activities of the world) will try to pull us down and destroy our effectiveness. We need to encourage one another!

- Jesus did not send the disciples out by themselves, but in groups of 2 (Mark 6: 7)
- Paul had a traveling companion (Luke, Silas, and Barnabas--Acts).
- If one falls down, his friend can pick him up. A cord of 3 strands is not quickly broken (Ecc.4:9-12)
- When the church started in Acts 2, the believers were together in one accord

What are we teaching:

For the men's study, we are going through Bill Bright's 5 Steps to Christian Growth. As of Feb.2006 we are studying Step 3 -- How you can be filled with the Holy Spirit.

Course materials and Bibles are provided—Come as you are!
